

# Installing the License

Once you have the activation key, install the feature license as follows:

1. Log into Aras Innovator as an administrator.
2. From the main menu toolbar, select Tools --> Admin --> Licenses --> Activate Feature.

3. Paste the acquired activation key and click Activate Feature button. A success message similar to the following should appear.

4. Go to the **Innovator Admin menu -> Licenses->Update Feature Tree**. A success message similar to the following should appear.
