

# Installing the License

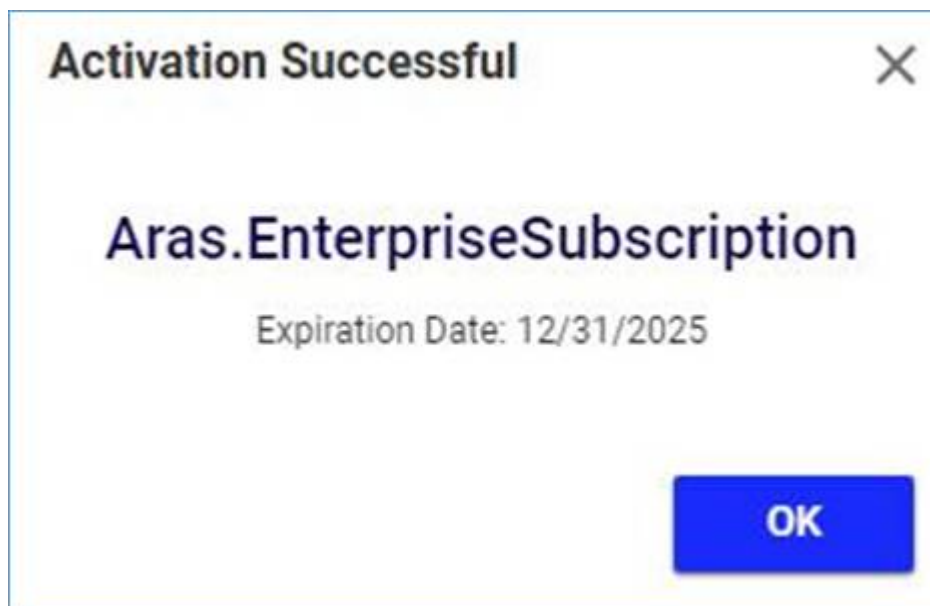

Once you have the activation key, install the feature license as follows:

1. Log into Aras Innovator as an administrator.
2. From the main menu toolbar, select Tools → Admin → Licenses → Activate Feature.

The screenshot shows a dialog box titled "Activate Feature" with a close button (X) in the top right corner. Below the title is a label "Activation Key" followed by a text input field. At the bottom of the dialog, there are two buttons: "Activate" and "Cancel".

3. Paste the acquired activation key and click Activate Feature button.  
A success message similar to the following should appear.

The screenshot shows a dialog box titled "Activation Successful" with a close button (X) in the top right corner. The main text in the center reads "Aras.EnterpriseSubscription" in a large, bold font. Below this, it says "Expiration Date: 12/31/2025". At the bottom right, there is a blue button labeled "OK".

4. Go to the **Innovator Admin menu** → **Licenses** → **Update Feature Tree**  
A success message similar to the following should appear.
