

Responsive UI & Mobile Views

Controls rendered on the page are adjusted to the available page width to avoid showing horizontal scrollbars. In the mobile device, all the pages are shown with a mobile layout.

The screenshot displays the Aras software interface. At the top, there is a navigation bar with the Aras logo, a search bar, and several utility icons. Below this is a secondary bar with a dropdown menu labeled 'Aras' and a set of colored action buttons (green, blue, red, grey, yellow, teal). The main content area is divided into two sections:

Pivot Table

	State	Preliminary	Released	Totals
Type				
Assembly		203	36	239
Component		106	195	301
Material		3		3
Phantom		9		9
Software		14		14
Totals		335	231	566

Charts

Area Chart

Count vs State by Type

At the bottom of the interface, there are two navigation arrows (left and right).
