

# Confirming the Installation

Use the following procedure to check if your database has been updated correctly:

1. Log in to Aras Innovator as an administrator.
2. From the TOC, select **Administration à Variables**.
3. Confirm the following sets of variables are listed:

## **Event Handling Framework**

14.3.0

If the installation fails at any time, revert to the backups, and contact Aras Support at [support@aras.com](mailto:support@aras.com) .
