Drilldown Report:

The screenshot shows a 'Drilldown Report' window with a table of parts. The window has a title bar with a close button. Below the title bar are two filter boxes: 'Axis (Categories)' with 'State : All' and 'Legend (Series)' with 'Type : All'. The table has five columns: Name, Part Number, State, Type, and Make / Buy. The data rows are as follows:

Name	Part Number	State	Type	Make / Buy
<a href="#">Polyurethane Cover</a>	100013	Preliminary	Assembly	Make
<a href="#">Velcro Belt</a>	10012	Preliminary	Component	Make
<a href="#">Acetate Filter</a>	Acetate Filter	Preliminary	Assembly	Buy
<a href="#">Aluminum Foil</a>	Aluminum Foil	Preliminary	Assembly	Make
<a href="#">Axle</a>	AXL	Preliminary	Component	Make
<a href="#">Axle coming from GMV</a>	AXL-GMV	Preliminary	Component	Make
<a href="#">Axle coming from SVC and light weight</a>	AXL-SVC	Preliminary	Component	Make
<a href="#">Axle coming from TVS - Heavy Duty</a>	AXL-TVS	Preliminary	Component	Make
<a href="#">Non-Threaded 63mm Bottom Bracket</a>	BB-9090	Released	Component	Buy
<a href="#">Threaded 63mm Bottom Bracket</a>	BB-9091	Released	Component	Buy

At the bottom right of the window is a 'Cancel' button.
